

## BACK OVERHANG

### **24" Table Runner**

Made of 2 panels - Panels cut sizes prior to finishing  
Front Panel for Front – Size: 24"x66"

This sizing is based on a file sent at half the actual size  
Files only need to be sent for panels with printed images -  
solid color panels do not need to be sent as a file  
Front & sides - Size with bleed: 12.25"x33.25"  
Print size: 24"x66"

Files created in Photoshop should be sent  
as a flattened .jpg  
Files created in Illustrator should be sent as a  
layered .pdf with text outlined

We print files in CMYK

If you have specific PMS colors, send the numbers  
along & we will match them as close as possible

For clearest printing - non vector art files should  
be sent through (minimum) as:  
full size at 150 dpi  
1/4 size at 300 dpi
