

BACK OVERHANG

30" Table Runner

Made of 2 panels - Panels cut sizes prior to finishing
Front Panel for Front – Size: 30"x66"

This sizing is based on a file sent at half the actual size
Files only need to be sent for panels with printed images -
solid color panels do not need to be sent as a file
Front & sides - Size with bleed: 15.25"x33.25"
Print size: 30"x66"

Files created in Photoshop should be sent
as a flattened .jpg
Files created in Illustrator should be sent as a
layered .pdf with text outlined

We print files in CMYK

If you have specific PMS colors, send the numbers
along & we will match them as close as possible

For clearest printing - non vector art files should
be sent through (minimum) as:
full size at 150 dpi
1/4 size at 300 dpi
