

**6' Table Throw - Top, back & sides**

Made of 2 panels - Panels cut sizes prior to finishing

Front Panel for Top, back & sides – Size: 60"x132"

This sizing is based on a file sent at half the actual size

Files only need to be sent for panels with printed images - solid color panels do not need to be sent as a file

Front & sides - Size with bleed: 60.5"x133"

Print size: 60"x 132"

Files created in Photoshop should be sent as a flattened .jpg

Files created in Illustrator should be sent as a layered .pdf with text outlined

We print files in CMYK

If you have specific PMS colors, send the numbers along & we will match them as close as possible

For clearest printing - non vector art files should be sent through (minimum) as:

full size at 150 dpi

1/4 size at 300 dpi
