

6' Table Skirt - fitted - front panel

This sizing is based on a file sent at half the actual size

Files only need to be sent for panels with printed images - solid color panels do not need to be sent as a file

Size with bleed: 36.5"x14.25"

Print size: 36"x 13.75" (actual final print size 6' (72") x 27.5")

Files created in Photoshop should be sent as a flattened .jpg

Files created in Illustrator should be sent as a .pdf with font outlined

We print files in CMYK

If you have specific PMS colors, send the numbers along & we will match them as close as possible

For clearest printing - non vector art files should be sent through (minimum) as:

full size at 150 dpi

1/4 size at 300 dpi
