Same image as side two

**FINISHED FILES SHOULD BE 21.25" x 29"**

\*Please note we print in CMYK, if you send the file in RGB some colors will vary

If you have specific PMS colors required, please note those on the Purchase order and we will match them as closely as possible.

Files created in Photoshop should be sent as a flattened .jpg file  
Files created in Illustrator should be sent as a .pdf file with all layers active and all text outlined

Send files at full size 150dpi  
or 1/2 to 1/4 size at 300 dpi

**Keep all important images/text out of the .75" sewing edge all around the flag**

**Do not delete the "Print Lines" layer**

**Delete the "Printing Instructions" layer**
